

**Bark'n Boot Liners™
from Ruff Wear**

Sock liners for use with your favorite dog boots

Description:

Our Bark'n Boot Liners™ will enhance the fit, upgrade the performance, and improve the comfort of dog boots. Designed to be used with our Bark'n Boot™ Grip Trex™ dog boots.

Features:

- Wick moisture away from the paws in warm conditions
- Insulate paws during cold conditions
- Protect paws from abrasion and irritation
- Endure with durable double knit construction and reinforced toe box and cuff
- 73% Polyamide, 24% Polyester, 3% Spandex

Use:

- Comfort and protection while wearing dog boots (can be worn with any and all dog boots).
- We highly recommend trimming your dog's nails to help extend the life of the boot liners.
- Always use with dog boots.

Fit:

- Easy to put on: stretchable with a tight fitting cuff
